**JUDGMENT ORDER**

This case is before the Court upon the motion for review filed by Dale’s Recycling, and Insurance Company Of The West pursuant to Tennessee Code Annotated section 50-6-225(a)(5)(A)(ii), the entire record, including the order of referral to the Special Workers’ Compensation Appeals Panel, and the Panel’s Opinion setting forth its findings of fact and conclusions of law.

It appears to the Court that the motion for review is not well taken and is, therefore, denied. The Panel’s findings of fact and conclusions of law, which are incorporated by reference, are adopted and affirmed. The decision of the Panel is made the judgment of the Court.

Costs are assessed to Dale’s Recycling and Insurance Company of the West, for which execution may issue if necessary.

It is so ORDERED.
